PROSPECTUS

"THE SOUTHERN PRESS

An association of sixty-three Members of Congress Nenators and Representatives, have constituted the undersigned a Committee to superintend the establishment of a Southern Press at Washington City, to be decided to the associations of the control of the control of the superintend of the control of the superintend of the control of the cont to be devoted to the exposition and defence of Southern Rights and institutions—the dissemination of correct information as to Northern Policy, and the course of Political affairs generally, without reference to the old party lines of Whig and Democrat. Arrangements are now in progress, promptly to ensure the issue of such a paper under the title of "THE SOUTHERN PRESS."

for the conduct of which, suitable Editors have beer engaged, who will also receive the aid of a number

of eminent and and able contributors.

There will be a daily, a tri-weekly, and a weekly issue—the latter to contain substantially, the same matter as the former, and intended to reach those oints of the country whose mail facilities are limited.

The paper will not be exclusively political—but will embrace on its broad sheet the General News of the day, Domestic and Foreign, by mail and telegraph; Commercial and Agricultural Intelligence, Literary Criticisms, Original Essays, Literary and Miscellaneous; and, in short, all those items of general interest, the collected aggregate of which William Essays, Esq., Commissioner of Patents. general interest, the confected aggregate of which constitutes the interesting and valuable Newspaper. Great care will be taken to give full and correct Reports of the Proceedings and Debates in both Houses of Congress, as well as the action of the local Legislatures on the Southern question.

A limited number only of Advertisements will be received, the main colored the process of the control received-the main object being to furnish a large

amount of reading matter.

The paper will be printed on a sheet equal in size to those of the other Washington papers, and the material will be procured especially for the purpose. It is confidently hoped that every true friend to the South will aid in procuring subscribers, and forward the names, with the amount subscribed, to some Southern Representative at Washington, forthwith. Postmasters are authorised by law to remit subscribing free of postage. scriptions free of postage.

The price of subscription must be paid invariably in edvance, and the cash accompanying the name All persons procuring ten names shall be entitled to

receive a copy gratis for one year.

A. P. BUTLER,

JACKSON MORTON,

R. TOOMBS.

THE GRAND INDUSTRIAL EXHIBI-TION OF 1851.

MEETING OF THE CENTRAL COMMITTEE FOR THE UNI-

Pursuant to the notice given, the Central Commit-ee mete at the rooms of the National Institute, in the Patent Office, on Thursday evening, the 13th instant, at S o'clock. The meeting was called to order by Professor Wal-

ter R. Johnson, on whose motion Col. Peter Force was called to the Chair, and Charles F. Stanbury

chosen Secretary of the meeting.

This temporary organization having been effected, the committee proceeded to organize permanently by the appointmens of the Hon. Millard Fillmore, Vice esident of the United States, Chairman, and Prof.

Walter R. Johnson Secretary.

At the the request of the Chairman, (Col. Force,) the following papers were read by Prof. Johnson, in explanation of the appointment and duties of the STATE DEPARTMENT,

STATE DEPARTMENT,
WASHINGTON, May 17, 1850.

To the President of the National Institute
for the Promotion of Science.

Sir: I have the honor herewith to transmit c

distinguished Envoy of her Majesty's Government, and to request such action or suggestions as may seem necessary in order that the natural productions, the ingenuity, industry, and arts of the United States may be fully and suitably represented on the interestmay be fully and suitably represented on the interest-ing occasion herein referred to. ing occasion herein referred to.

I have the honor to be, very respectfully, yours,

JOHN M. CLAYTON.

This communication was laid before the National Institute, and by it referred to a select committee, which brought forward the following report:

Report of the Committee of the National Institute: The special committee, to which was referred the communication from the Hon. John M. Clay-ton, Secretary of State, relative to the formation of a central authority for transmitting articles to the Industrial Exhibition to be held in London in

The committee, impressed with the importance of the subject commended to the Institute, have given to it their carnest and careful attention. The resourses, the ingenuity, the industry, and the best eddeavors to procure for them the oppor-

unities of being adequately represented in the great Industrial Exhibition at London. great Industrial Exhibition at London.

Aggreeably to the programme adopted by the Royal Commission, no articles are to be received from Foreign Exhibitors except those which shall have been approved by a central authority, recognized as such by the Government of the country from which there are sent.

by the Government, the Secretary of State has deemed it the appropriate body to take action or make suggestions relative to the fulfilment of the wishes of the Royal Commissioners, by the establishment of such a central authority as the case seems to require.

To this voluntary proposal on the part of the Secretary of State, the committee consider the National Institute in duty bound to respond

Institute in duty bound to respond.

In accordance with this view, the committee respectfully recommend the following resolution:

1. Resolved, That the Institute will take action

on the subject submitted to it by the Department of State.
2. Resolved, That the Institute do now proceed to constitute a committee suitable to be recognised by the Government as a central body to hold correspond-ence with the British Commissioners, and to secure reception of American productions at the proposed dustrial Exhibition in London.
PETER FORCE,

JOSEPH HENRY, WALTER R. JOHNSON, Committee J. J. GREENOUGH, CHARLES WILKES,

"Resolved That the Institute do now proceed to THE LONDON QUARTERLY REVIEW, constitute a committee suitable to be recognised by the Government to hold correspondence with the British Commissioners, and to secure the reception of THE WESTMINSTER REVIEW,

Board of Regents of the Smithsonian Institute. Lieut. Matthew F. Maury, U. S. N., Vice President of the National Institute, and Superintendent of the National Obsservatory.

Very respectfully, your ob't serv't, WALTER R. JOHNSON, Cor. Secretary of the National Institute. Hon. JOHN M. CLAYTON, Secretary of State.

Sin: I have duly received your letter of the 27th

ultimo, communicating to this Department the proceedings of the National Institute on the subject of my Terms.

For Daily—the price will be per annum, For Tri-weekly during the Session of Congress, and Semi-weekly during the recess, 200 Weekly paper, - 200

State of the National Institute on the subject of my note of the 17th of the same month. Those proceedings appear to my obe perfectly satisfactory; and I have accordingly passified them to the British Minister in this city, with the communication, a copy of which is enclosed for your information.

Comparison of the National Institute on the subject of my note of the 17th of the same month. Those proceedings of the National Institute on the subject of my note of the 17th of the same month. Those proceedings appear to my obe perfectly satisfactory; and I have accordingly passifications and in any case be furnished unless the subscription money is paid in full to the Publishers, without recourse to an agent.

Comparison of the 17th of the same month. Those proceedings appear to my obe perfectly satisfactory; and I have accordingly passifications.

I am, sir, respectfully, your ob't serv't JOHN M. CLAYTON WALTER N. JOHNSON, Esq., Corresponding Secretary of the National Institute

DEPARTMENT OF STATE,

Washington, June 1, 1850.

Sin: I have the honor to transmit to you herewith a copy of the correspondence which has passed between this Department and the National Institute for the Promotion of Science, respective to the Promotion of Science, respecting the organization of a committee to constitute the central authority required by the regulations of the Royal Commission on the proposed Industrial Exhibition, to correspond with them in London, and with societies, local committees,

and individuals in this country, and to sanction the forwarding of articles applicable to the exhibition.

I need hardly say to you, sir, that the proceedings of the National Institute, as set forth in this correspondence, meet the approbation of the Department, which has full confidence in the committee named by that

Institute.
I avail myself of this opportunity to renew to you the assurance of my high and distinguished consideration.
JOHN M. CLAYTON.
Right Honorable Sir H. L. BULWER, &c.

Extract from the Circular of the Royal Commissioners.
"The Commissioners have felt that it would be

desirable, as far as possible, to prevent any per-sons from sending hither articles which cannot be admitted, rather than to reject the articles after their arrival in London. They feel also that the delicate and responsible task of deciding on the admission or rejection of articles destined for exhibition by foreign contributors ought not to be im-posed upon any Fnglish tribunal, but should be referred to one aving the confidence of the exhireferred to one aving the confidence of the exhibitors themselves, and standing entirely free from cuted as carefully and in as superba style as the enpies of a correspondence which has taken place between the Minister Plenipotentiary of her Majesty the Queen of Great Britain and this Department relations of national partiality. They the Queen of Great Britain and this Department relative to the proposed Industrial Exhibition to be held in London in the year 1851.

From the circular of the Royal Commissioners of by the Central Authority (whatever may be its before the proposed in the second of the Royal Commissioners of by the Central Authority (whatever may be its before the propose). Great Britain, hereto annexed, it will be observed that all objects intended to be introduced from foreign to such Central Authority the amount of space in the results of the comprehensive in its spirit. They will communicate to such Central Authority the amount of space countries and entered for that Exhibition are required which can be allowed to the productions of the to have been first submitted to and approved by a central authority or commission of the country from which they shall be brrought, and that no other will be recognized as a central authority except such as shall have been so certified by the Government of the tral Authority will then be admitted, provided they tral Authority will then be admitted, provided they do not require a greater aggregate amount of space that a recognized central authority should be constituted; and I am under the impression that the National Institute, having been regularly incorporated that a recognized central authority should be constituted; and I am under the impression that the National Institute, having been regularly incorporated in the constituted of Converse and being hobitually engaged in given. It will rest with the Central Authority will then be admitted, provided they do not require a greater aggregate amount of space than that assigned to the productions of the country from which they come; and, provided they do not require a greater aggregate amount of space than that assigned to the productions of the country from which they come; and, provided they do not require a greater aggregate amount of space than that assigned to the productions of the country from which they come; and, provided they do not require a greater aggregate amount of space than that assigned to the productions of the country from which they come; and, provided, also, that they do not violate the conditions and limitations of which due notice shall have been given. pensable that a recognized central authority pensable that a recognized central authority in constituted; and I am under the impression that the constituted; and I am under the impression that the constituted; and I am under the impression that the constituting by act of Congress, and being habitually engaged in matters pertaining to the arts and sciences, is the proper body for taking the initiative in constituting such a central authority.

It will rest with the Central Authority in each country to decide upon the merits of the several articles presented for exhibition, and to take care that those which are sent are such as fairly represent the industry of their fellow-country.

A GREAT NATIONAL WORK. THE GALLERY OF ILLUSTRIOUS AMERICANS.

Daguerreotypes by Brady---Engraved by D'Avignon.

EDITED BY AN ASSOCIATION OF LITERARY MEN.

UNDER this title will be published, during the year 1850, twenty-four Portraits and Biographical Sketches of American citizens who have become illustrious in the service of the country. Every portion of the work will receive the most careful attention tion, and nothing will be spared to render it a worthy nad enduring monument to the great men of the Re-

Mr. Brady has been many years engaged, at great Mr. Brady has been many years engaged, at great expense, in collecting Portraits for a National Gallery, and those which are being engraved for this work are believed to be superior to any that have ever been taken. In the accomplishment of this great object he has experienced the utmost courtesy and encouragement from distinguished men. Mr. Brady's reputation has been too long established to need any recommendation. His descretestives are in the recommendation. His daguerreotypes are in the highest sense the works of art, glowing with the soul

of the living countenance.

The drawings and engravings of D'Avignon have been pronounced by Europeans of taste to be fully equal, and in some respects superior to those of the best artists of London and Paris; and every impression in this Gallery will be taken under his im

and public services have won for them an honorable fame throughout the nation. Each of the great departments of life will have its representatives. Art and Literature are universal in their spirit, and the Gallery is intended to be a worthy and enduring monument to the great men of the Republic, whose achievements and fame constitute the chief glory of the nation. We hope that every lover of Art, and friend of our glorious Union, will respond to our appeal for encouragement and aid in so commend the an undertaking, that its publication may make an era in the progress of American Art, and by grouping the illustrious men of the Union together, consolidate it still more forth.
